Effective November 30, 2009, Washington L&I has canceled its continuing education reciprocal agreements with all other states. The JATC is currently looking into the feasibility to register its CEU classes with Oregon, Alaska, Montana and Idaho. However, this will take some time to complete. Individuals who need CEU credit in the immediate future for other states should look at taking online or correspondence CEU classes, which are set up to report to most states.

The information on this form is to insure proper credit for license renewals. Please print very clearly and provide all information requested. Unless you hear otherwise, sending in your registration form with your payment insures your registration. All classes begin at 8 a.m., unless otherwise noted on the class calendar.
